

Homage to Com. A.B.Bardhan

The veteran communist leader, former General Secretary of Communist party of India, and former Member of Parliament, Comrade Ardhendu Bushan Bardhan, who passed away after prolonged illness at the age of 92 years, strove for the left unity in India.

He participated in the freedom struggle, worked as student leader and as a trade union leader in Maharashtra braving repression for his political activities, which failed to deter him in his pursuit of communist politics.

The Central Committee of Communist Party of India (Marxist-Leninist) pays homage to the departed leader and conveys its heartfelt condolences to the Central Committee of Communist Party of India and to the son and daughter of Com. A.B.Bardhan
