

## Revolutionary Tributes to Com.Krishnankutty

Comrade Krishnankutty, a senior comrade and a member of Kerala State Committee, CPI (ML) has departed on Feb 2, 2021 owing to failing health. Com. Krishnankutty joined the Communist Movement at a younger age. Inspired by the Naxalbari Peasant Revolutionary Movement and having come into contact with Comrade Kanu Sanyal in 1980s, Com. Krishnankutty together with Com.R.C. Rajappan and others had made up their mind to dedicate themselves to revolutionary politics. With deep convictions in Marxism Leninism Mao's Thought and the revolutionary mass line he worked among the peasants and rural poor. Going through the process of unification, he became a part and leading member of our Organization, CPI (ML) in Kerala. CC, CPI (ML) pays Revolutionary Tributes to the departed Comrade and deep condolences to his family members.
