From then he worked continuously as CC member of that organization and organizations that emerged out of unity of that organization and its CC secretary at different periods.

He continued to work for the revolutionary movement till his very last. His was indeed a long journey in the revolutionary movement from 15 years of age till his death at 78 years. He was very keen for the unity of communist revolutionaries and always played an active role in that process.

Revolutionary tributes to Comrade Madhu, leader & member CPI (ML)

The sudden demise of Com. Madhu, leader of CPI (M-L), in the early hours of April 16th, due to heart attack is a shock to us, the central committee of CPI (M.L)-New Democracy. We express our heartfelt revolutionary tributes to Com. Madhu.

Com. Madhu is a member of the Central Committee secretariat, CPI (ML). After the death of Com. Jaswanth, he took up the responsibility as editor for the Central Committee magazine, Class Struggle. He is 78 years old at the time of his death. Com. Madhu (Chari) is from Mahabubnagar district. He was attracted to revolutionary politics from the age of 15 years and started working in revolutionary

politics from his student years. He came to Hyderabad as a student and completed his Law degree. Though he is from a poor family he does not for a law career but made revolution his sole career. On the eve of Naxalbari, and after the separation of Andhra revolutionaries from CPI (M). Com. Madhu moved with revolutionary leaders Devulapalli Venkateswararao, Tarimela Nagi Reddy, Chandra Pulla Reddy, Kolla Venkaiah.

He worked in the erstwhile APRCP and UCCRI (ML). From 1973 onwards he worked actively along with Com. D.V and Com. T.N as an organizer. He rose to the State Committee by 1973. At the time of conflicts in the party he strongly supported the politics of Comrades Devulapalli and Nagireddy. He worked as a member of the Central Committee that is under the leadership of Com. D.V and after differences with Com. DV he moved out. For some time, he worked as the secretary to the newly formed Central Committee.

He fought with the extremist and revisionist ideologies and worked for the unity of revolutionary groups till his last breath. He played a crucial role in preparing the documents on correct revolutionary political line for his revolutionary organization. He played a significant role in his organization's attempts for unity many a time and in achieving some of the victories he played a victorious role.

He played his part along with the members of his organization's Central Committee in the efforts to achieve unity with CPI(ML)-ND. He is part of the main architects of the tripartite note brought out by C.P.I (M-L) N.D, CPI (M-L) Resistance & CPI (ML) during 1989-90, 91.

Since 1970, Com. Madhu has congenial relations with the leaders of our organization as they worked together at one point of time. Even though the relation between our two organizations worsened for a decade, again from 1980 onwards efforts were made by both organizations for unity and he played a significant role in that. He sincerely worked in the unity efforts of Six organizations. Even in the recent August 2020 unity efforts among 4 organizations, he played his part. In the discussions of March 4th & 5th 2021 that led to a decisive turn, he played his role in a very responsible way. He acted as an important writer in preparing the party documents and reviews. His role in preparing joint notes by various organizations is commendable. He dedicatedly worked all his life to implement Marxism-Leninism and Mao thought. To his capacity he made all efforts to run his party in the line of Cultural revolution. He is a leader, talks less but writes very well in both English and Telugu.

At a time when the Indian Communist Movement and more so the Indian Revolutionaries are facing several hardships, the demise of a leader and writer like Com. Madhu is a big loss not only to CPI (ML) but also to the entire Indian Revolutionary movement; when the international and Indian communist movement are facing a great threat from revisionism, com. Madhu's demise is a huge loss. At a crucial juncture of seriously working for the unity of four revolutionary organizations and while in-talks with some more organizations Com. Madhu's loss

is irreplaceable. The sudden death of Com. Madhu is a huge loss to the Cadre of CPI(ML). The central committee of CPI (ML)-New Democracy expresses its heartfelt condolences to his family and party cadre. We humbly pay our revolutionary salutes to Com. Madhu.

RED SALUTE TO COMRADE MADHU-JEE

The Central Organising Committee of CPI (ML) founder General Secretary Kanu Sanyal, is deeply shocked to learn the sudden passing away of comrade Madhujee - the central secretariat member of CPI(ML) led by comrade Viswam. He was editor of their Central organ Class Struggle. His end came today at 4:30 am at Vijayawada following a massive heart attack. He was 78.

His death saddened us all particularly those who worked with him when we were all in one organization. Our association with Madhujee started in 1998 when the then COC CPI (ML) Janasakti and COI(ML) started working together to carry forward the task of unity of CR forces which resulted in the formation of CPI(ML) 2005 through a Unity Conference, with comrade Kanu Sanyal as its general secretary and comrade Madhujee being one of its Central Executive Members.

Throughout his political life Comrade Madhujee was committed to socialism. He always upheld values and ideals that form the core of the communist movement. His entire life was dedicated to the cause of a better world for mankind as envisaged by Marx-Engels in Communist Manifesto. His death is a great loss to the organization he belonged to, as well as to the communist revolutionary

movement of the country. Our entire organization pays revolutionary tribute to comrade Madhujee.

We convey our deep sympathy to his bereaved wife comrade Padma and daughter comrade Ajitha along with hundreds of his fellow comrades.

COMRADE MADHUJEE AMAR RAHE.
