Chandigarh 05 January 2022: Prime Minister Narendra Modi goes back due to large number of vacant chairs negligible gathering in pandal. This happened on account of the fact that despite heavy rains Bharti Kisan Union BKU (EKTA UGRAHAN) Volunteers held huge Effigy burning demonstrations raising slogans MODI GO BACK, and the protest held by some other unions.

This memorable event has been termed by the organisation as another victory and achievement of the Farmers struggle. People of Punjab have termed this event as the right reply by ignoring the Prime minister due to the fact that he has taken lives of more than 700 farmers and farm labourers and has treated Punjabis as his enemies.

General Secretary Sukhdev Singh Kokri Kalan, through the state level press statement issued here today stated that the cause of such a huge protest is that on one hand the Government instead of registering of the murder cases against all other culprits of Lakhimpur Kheri incidence, and removal of Ajay Mishra Taini from the Ministry, the local farmer leaders are being huddled in jails, and on the other hand enactment of law on guaranteed purchase of all crops on MSP, withdrawal of criminal cases slapped on farmers and others at Delhi, Chandigarh and other states while participating in kisan andolan which are accepted in writing, be implemented without delay. Further it has been urged strongly that the waiver of all kinds of Government and non Government loans on farmers and farm workers be ensured. He said there is strong resentment because of non implementation of Swaminathan Commission report for price fixation of crops, and two crore jobs annually as promised in election manifesto.

In today's effigy burning demonstrations, Corporate Servant Modi Go Back, slogan bearing pamphlet has been distributed in lakhs among the protestors and the general public. In the demonstrations today, Punjab Khet Majdoor Union,

DTF, Contract Employees struggle morcha and activists of many other organizations participated as a token of cooperation.

The main speakers to address the gatherings today, included State President, Joginder Singh Ugrahan, Jhanda Singh Jethuke, Shingara Singh Mann, Roop Singh Chhanna, Janak Singh Bhutal, Jaswinder Singh Longowal, Jagtar Singh Kala Jhar, Harinder Kaur Bindu, Paramjit Kaur Pitho, Gurprit Kaur Bras and Kuldip Kaur Kussa along with long queue of Block and District level leaders of the Union. As a token of Cooperation Zora Singh Nasrali, Lachhman Singh Seewala, Digvijay Singh and Varinder Singh Momi etc. also addressed the gatherings.

The Farmers' Leaders have alleged categorically that Modi Government is not only conspiring to enact the black laws again but is also throwing away the public property and the Natural resources of the country in the lap of Indian and Foreign Corporate. During visit to Punjab, Narendra Modi is going to create a facade of the solution of the problems of Punjab by holding out false promises and fake declarations. Whereas the fact of the matter is that the burning issues like MSP, Public Distribution System, fuel oil prices, selling of Public establishments, Release of the human rights activists and such other public interest issues connected with life and liberty of the masses, this Government is siding with the Indian corporate and foreign imperialist Multi National Corporations and as such is determined to serve their interests.

The organizers declared that the day-night continuous uninterrupted sit ins at the DC Offices shall be postponed for the time being. Next programme shall be announced on 10<sup>th</sup> of January in the meeting of the State Committee of the Union.
