

# Communist Party of India (Marxist Leninist)

## Revolutionary Initiative - CPI(ML) RI Launched at Chennai

This meeting, after electing, in a complete democratic method, the presidium, Steering committee and other committees, commemorated our beloved comrades Sivaram and Sharmistha and offered tributes to all those martyrs who laid down their lives for the Independence of India and subsequently for realising a society free of exploitation by "Imperialism, Indian big bourgeoisie and landlord" combine.

The Delegate Session unanimously decided in favour of forming a new Communist Revolutionary Organization namely "Communist Party of India (Marxist-Leninist) Revolutionary Initiative".

The Delegate Session adopted the draft 'Party Programme', amended existing 'Party Constitution' on certain clauses like Party Flag and Party Pledge. Significantly, this Delegates Session also adopted certain provisions to safeguard the rights of 'opinions of minority' section in the party, particularly during the period of party congress process.

Delegates Session discussed on Unity Resolution.

As the Delegates Session is taking place during the danger of fascist take over of the country by RSS-BJP fascist forces, the delegates session decided for a life and death struggle against this danger by mobilising working class, peasantry and all other oppressed and exploited sections of the society-Dalits, Adivasis, people of handicrafts, religious and national minorities and also by mobilising all the anti-fascist and non-fascist forces against RSS-BJP and strive to build up a strong Peoples' movement politically and against its ideology of communal hatred, Bhramanyavad and Manuvad.

The last session on 11 December elected 24 member Central Organizing Committee with Com Pradip Singh Thakur as Secretary. It was also decided that the name of the Party Organ will be "Revolutionary Initiative".

COC has elected 10 members core committee to lead day to day activities of party and it's cadre in various Peoples' organisations.
