# Revolutionary Salutes to Comrade Joy Alampadan

CPI (ML) Alappuzha District (Kerala) Secretary Com Joy Alampadan passed away on 4-8-2023 at 4 am following a sudden illness. Com Joy came into the ML movement in 1980s. He was a CPM worker till then. Comrade Joy, who strongly believed in communist ideology, became involved with the revolutionary movement. Perhaps he could not agree with the new reformist policies of the CPM. So, he joined CPI (ML) party. He has worked in Red Flag and Red Star, then in CPI (ML) and became an activist. He died while working as Alappuzha District Secretary. Com Joy was well known among the fishermen who raised the issues in that sector and organized the trade union to protect their rights. His death occurred at a time when he was organizing the people of the Scheduled Castes and leading them on the path of struggle against their exploitation. Com Joy's departure is a great loss to the party and society. The party also shares the grief with the family on the death of Com Joy Alampadan.

CPI(ML) Party State Committee pays revolutionary tribute to Com Joy Alampadan.
